Program: Carolyn Mann is now hosting our RYE student Mew. Carolyn hosted years ago with another group.

Students need extra care and attention, like get to school and back, Help with language and home work. As an exchange student it is not all work, there is time for play. At least two trips are offered at schools end. One to East coast of D.C. and New York City. The other to California and the West cost. During the year all exchange students are included at RYLA and District meeting. Rumor has it a trip to Orlando is about to happen. If you are planning a trip and want company,
